

## Tango/04 Computing Group, sponsor of the Midsize Enterprise Summit Regional Series Boston

- The company will host a roundtable on its “1-2-3” monitoring strategy and be available for meetings all day.

**Barcelona, March 1, 2010** – Tango/04 Computing Group, the European leader in Enterprise Monitoring software, will participate as a sponsor at the Midsize Enterprise Summit Regional Series Boston, the second of a series of three regional events. This particular one will be held on March 11th in the Westin Waltham Hotel, Boston, MA.

With education as the key component, both senior IT executives and technology vendors will be able to find common ground and multiple networking opportunities.

Tango/04 will participate by hosting a roundtable on how to achieve IT Business Service Visibility and Control, and will present its “1-2-3” monitoring strategy, which explains the use of its easy-to-use, real-time, multiplatform solution to: 1) Monitor all technological infrastructure and applications, 2) Provide sustainable compliance and real-time security control, and 3) Manage business processes in a centralized way.

The company will also be available for meetings at its booth, for which attendees can make an appointment in advance by e-mail at [salesusa@tango04.net](mailto:salesusa@tango04.net).
